

**NEW RULES**  
to be implemented before July 1, 2018

## FIREMAN OUTFIT

RADIO COMMUNICATION

### Solas MSC.338(91) Reg II-2/10.10.4

For ships constructed on or after July 1, 2014, a minimum of two two-way portable radiotelephone apparatus for each firefighting teams shall be carried on board.

Those two-way portable telephone apparatus shall be of an explosion-proof type or intrinsically safe.

Ships constructed before July 1, 2014, shall comply with the requirements of this paragraph not later than the first survey after July 1, 2018.

**FURUNO MOBCOM is offering a large variety of Firefighting approved radio communication products, and fulfils all requirements for radio attachments such as PTTs, headsets and helmets.**
